Feb. 2023

Shaping India's Techade Challenges and Opportunities

JAAI MILAN
Patna 2023

Hosted by:

Jesuit Alumni Associations
of Patna Province (JAAP)

Venue:

St. Xavier's High School, Patna
& St. Michael's High School, Patna

E-mail:

jaaicongresspatna@gmail.com

Website:

www.jaaicongresspatna.in

Theme:

Shaping India's TECHADE: Challenges & Opportunities

Sub-theme:

- Transformative power of Networking in Actuating TECHADE sustainable development goals.
- New India for Young India: TECHADE of Opportunities.
- Role and Relevance of Jesuit Alumni Association in innovation, entrepreneurship and start-up ecosystems.
- Blended learning in Educational Technology - Challenges & Opportunities: India's perspective.

➤ Technology today is the greatest equalizer built by humankind to solve some of the pressing world challenges– from Health crisis to Climate Change.

➤ **TECHADE** is a portmanteau of technology and decade i.e., a decade powered by the impact of technology. This word gained momentum when our Prime Minister had said that data and demographic dividend combined with India’s proven tech prowess presents massive opportunity for the country, and exuded confidence that this decade will be ‘India’s **TECHADE**’.

➤ **Shaping India’s TECHADE** will be defined by our collective ability to move from ‘technology potential’ to ‘technology impact’ and will be built on the design principals of Innovation for Impact, Inclusive & Secure Scale, Ethical Build and Use of Tech and Human Centricity. The challenges and impediments to fulfilling the idea of **TECHADE** also needs to be identified and addressed to find out key-elements to this revolution, our roles and responsibilities and key areas of focus.
