**JAAI Jesuit Alumni Associations of India**  
 TO GIVE NOT TO COUNT THE COST

The Jesuit Alumni Associations of India (JAAI) facilitates a discussion for networking amongst Jesuit Alumni/ae. It empowers arrangements of affiliations and attempts to build up a connection among the different Jesuit Alumni Associations all over the world. It attempts to open strategies for secularism, alleviation of poverty, empowerment of women, upliftment of the marginalized, protection of human rights, preservation of environment and spread of literacy.

**Jesuit Alumni Association of Tamil Nadu**

Jesuit Alumni Association Tamil Nadu (JAAT) is an association consisting of all the School and College alumni associations in Tamil Nadu. There are 17 Alumni Associations in the Province of Madurai out of which 7 are of the colleges and 10 are of the schools. The four Southern Jesuit Provinces have a Southern Zonal Council of the Federation of the Jesuit Alumni Associations of India.

The World Union of Jesuit Alumni (WUJA) brings together former students of Jesuit schools and universities in the entire world in order to build international relationships among these people, to contribute to the mission of the Society of Jesus and to promote the universal dynamics of Jesuit education.

For these purposes, WUJA organises world meetings of Alumni with themes related to the commitment to the world and the society in the perspective of Christian and humanistic values, as practised and promoted by the Society of Jesus in its educational vision and mission.

# Welcome to TAMILNADU - Tiruchirappalli

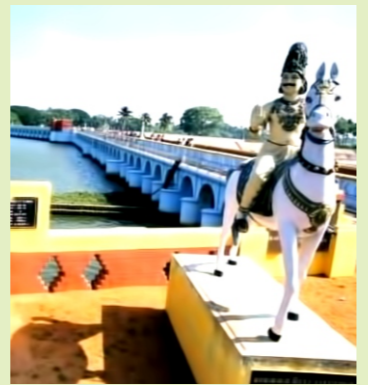

The Ease of Living Index 2018 has identified Tiruchirappalli (Trichy) as the 12th best liveable city in India and 1st in Tamilnadu in the category of health.

Trichy is an ancient city located on the banks of the River Cauvery with history tracing back to several centuries. Trichy was the capital of the early Cholas, known as Woraiyur. This is still in existence as a part of the city. The famous Chola king, Karikala Cholan who ruled from Woraiyur was a great warrior and an engineering maverick. He built Kallanai (9 kms away from Trichy) almost 2000 years ago.

Later Trichy was ruled by Pallavas who built the Rockfort. Trichy is also one of the most important religious centres for all. After the rule of Pallavas, Trichy was under another reign of the Chola empire. Rajaraja Cholan and Rajendra Cholan ruled from Tanjore (50 kms away from Trichy). Then Trichy was also ruled by Pandyas and Nayaks of Vijayanagar empire, and the famous queen Mangammal. Later it was ruled by the Arcot Nawabs. Robert Clive's victory over French and Arcot Nawabs opened a new leaf in the history when the seed of the British Empire was sown in India.

In 1870s Trichy Railway Junction became the most important headquarter for the South Indian Railways (SIR). In 1928, the Golden Rock Railway workshop was established. The Bharat Heavy Electricals Ltd (BHEL) in Trichy is manufacturing heavy boilers and power generating systems.

Trichy is the vibrant city, located in the heart of Tamil Nadu. Trichy International Airport is one among the top ten international airports in India with many international flights from the Middle East, Singapore, Kualalumpur and Colombo.

The Rockfort Uchi Pillaiyar Temple (Ganesa) is 275 ft tall with 437 steps, Srirangam (one of the 108 vaishnava temples) is a river island flanked by the Cauvery and Coleroon rivers, Thiruvanaikoil (one of the 5 centres of cosmic elements in the form of water), Samayapuram (the famous Sakthi Temple), Vayalur (Lord Karthikeya/Murugan temple), St.Lourdes Church (St.Joseph's College Church) built in 1890 AD as a replica of St.Lourdes Church in France and Nathar Shah Dharga (more than 1000-year-old) are the famous spiritual centres in Trichy.

Trichy and its vicinity offer a lot of historical and tourist places like famous Brahadeeswara Temple (Tanjore, 50 kms away from Trichy) an engineering marvel built by the mighty Chola Emperor Rajaraja Cholan more than 1000 years ago, the Gangaikonda Cholapuram (grand temple built by Rajendra Cholan, son of Rajaraja Cholan almost 1000 years ago), Navagraha temples (9 temples including Lord Saneeswara near Karaikal), Nagoor Dharga, Our Lady of Good Health, Velankanni (150 kms away from Trichy) and Poondi Madha Basilica (45 kms away from Trichy).

Trichy is also known as a vibrant educational hub. St.Joseph's College and St.Joseph's College Higher Secondary School have celebrated the Dodransbicentennial celebrations (175th Anniversary). Bharath Ratna Late Dr. A.P.J. Abdul Kalam, Former President and scientist is an illustrious Jesuit alumnus from St. Joseph's College, Trichy. Similarly, St. Joseph's College Higher Secondary School has produced eminent scientists, statesmen, leaders in all walks of life and entrepreneurs such as Shri. Shiv Nadar, the Founder and Chairman of HCL Technologies.

St.Joseph's College has been awarded the special Heritage status by UGC and A++ in the 4th cycle of NAAC Accreditation. St. Joseph's College Alumni Association was awarded 4 out of 4 marks by NAAC for its dynamic activities.

## JAAI's Flagship Programmes/Activities:

### a) Blood Donation Programmes

Blood donation camps are arranged over the country throughout the year especially on 31st July to coincide with the Feast Day of the St. Ignatius Loyola.

### b) Environment and Ecology Programmes

JAAI has collaboration with Jesuit Council of South Asia (JCSA) for environment and ecology programmes to be carried out in Jesuit Educational Institutions.

### c) Alumni Exchange Programmes

'College to village' and 'Village to college' concept has been evolved wherein every semester the students should go to villages and serve the society. This has a very good outcome through domestic alumni exchange and international alumni exchange.

### d) Student Exchange Programmes

Student exchange groups in the past visited India from different countries like Ireland, Australia, Spain, and Belgium and participated in social service projects.

### e) Students' Leadership & Soft Skill Development Programmes

JAAI facilitates Jesuit Educational Institutions to start Young Leadership Programme under the aegis of Toastmasters International in public speaking.

### f) Constitutional Modules, Human Rights & Women's Rights Programmes

Based on the principles of GC 36, it is contemplated to start orientation / diploma course for 1 year or 2 years in our Jesuit Educational Institutions, wherein the Constitution Module will be taught. Few of our Jesuit educational institutions are already having programmes on human rights education.

### g) Afghan Medical Professional's Skill Enhancement Programmes

Steps have been initiated to train Afghan doctors in India, as per the norms of Medical Council of India (MCI).
